

Remarks/Arguments

Claims 114 and 116-117, 119-147 and 146-148 are pending in the application. Claim 146 has been amended to remove the original definition for R_2 and R_3 , which was inadvertently left in the claim when previously amended. Applicants therefore respectfully believe that the new issue under 35 U.S.C. § 112 cited in the advisory action of April 13, 2007 has been removed.

It is believed that all claims are now in condition for allowance.

Conclusion

In light of the amended claims and above remarks, Applicants respectfully request that a timely Notice of Allowance be issued in this case.

Applicants reserve the right to pursue any non-allowed claims filed in this case in a continuation application.

This response is being submitted within three months from the date of the office action. If any extension of time is believed necessary, however, such extension is hereby by requested. The Commissioner is authorized to charge any additional required fee, or credit any excess fee paid, to Deposit Account 04-1579 (56.0555CN2).

Respectfully submitted,
